HUMMEL'S **OP** office[®] plus

Team Highlights

Hummel's Office Plus and the NY State Contract

Prenegotiated Contract Prices: Fixed manufacturer discounts averaging 55% take the hassle out of bidding and provide you with the best pricing offered by the industry.

Space Planning and Design Services: We can take you from paper sketches to computer facilitated office renderings that take the guess work out of planning and virtually eliminate specification mistakes

Samples and Demonstrations: When needed, sample chairs and fabrics are made readily available for a true "try before you buy" experience

Project Management: Our team manages the process from specification through installation so that you may focus on your organizational mission while leaving the details to us

Full Service Installation: Have your furniture professionally handled from the time it's shipped and received until the time it's carefully installed in your facility

After-Sale Warranty and Customer Service Support: Service issues will arrive and for our customer service team they're no problem. Leave the details to us and we'll keep all your furniture in good working order
